## I. Brief and specific description of the personal feat or merits

On the night of 16-17 March 1945, he was a member of a reconnaissance team on a mission for capturing an enemy prisoner-informant. Having penetrated into the area 1,5km behind the enemy line west of the settlement Prusy (Latvia), they established an ambush position at a main road. When two walking German soldiers approached the position, ZUBAREV was among the first to rush the enemy. One German was killed. The other one was captured and delivered to the regiment headquarters.

On their return trip, they encountered a group of German soldiers and opened fire killing several of them. Our reconnaissance squad suffered no casualties and returned back to the base. The captured prisoner-informant provided valuable intelligence.

He deserves state award - order "GLORY III CLASS".
