### I. Brief and specific description of the personal feat or merits

After having broken through strong enemy defence near the village Stopnica on 12 January 1945, our troops successfully pursued the retreating German forces and reached the river Oder, where the enemy brought the reinforcements and fortified on the western river bank. Despite intensive enemy artillery and air bombardment, comrade VORONENKO reconnoitred the approaches to the river and advancing covertly approached an enemy forward detachment. Utilising his submachine gun and hand grenades, he eliminated 6 German troops, 1 officer, and 4 machine-guns. This effort, enabled the success of the river crossing and capture of a bridgehead on the western bank.

For exhibited courage and bravery in combat, comrade VORONENKO deserves state award order "PATRIOTIC WAR I CLASS".
