I. Brief and specific description of the personal feat or merits

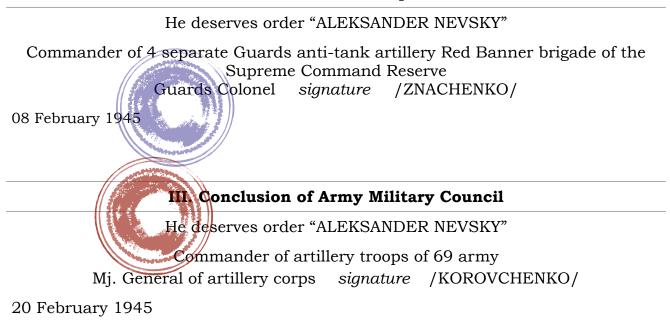

14 January 1945, in the offensive combat engagement during strong enemy defence breakthrough operation near the settlements Anielin and Pajakow, Guards Captain SVINTSITSKY's artillery battery destroyed 2 cannons, 2 machinegun emplacements, 1 mortar, destroyed 2 pillboxes, and eliminated up to a platoon of enemy troops. Thanks to proper selection of deployment sites for his cannons, their efficient construction and exemplary camouflage, he saved his men and equipment from losses. This effort enabled the breakthrough and successful advance of the artillery battery and the supported rifle units.

He deserves state award order "SUVOROV III CLASS".
